

# Big Information Days 2010

Each event will consist of a presentation on BIG funding programmes followed by the opportunity for groups to speak to staff about project ideas. The format for each event is slightly different according to the area. Some will run all day and in others these will be shorter events repeated over the course of a day. Please make sure you check the timings of events before you book a place.

Area	Date of event	Closing date to register	Venue	Event format	Timings	How to register
