

## Northern Ireland – Round 1 Awards

APPLICANT NAME	PROJECT DESCRIPTION	AWARD
Learning to Grow	<p>Based in Ballycarry, Larne, Learn to Grow's two year project will see the development of a water sourcing and bottling resource at the Magheramorne Quarry in the shores of Larne Lough. The project aims to provide carbon neutral water based on sustainable and ethical principles, and to create job and volunteering opportunities.</p> <p>With capital and revenue funding, the 'Glás Water' project will be a partnership project between Learn to Grow and Acceptable Enterprise Larne that will see the creation of direct sustainable jobs and indirect supplier employment.</p>	£250,517
Glenarm Buildings Preservation Trust	<p>Based in Glenarm Village, Glenarm Buildings Preservation Trust's two year project will see the regeneration of the currently derelict Seaview Old School to provide craft, community, and tourism facilities.</p> <p>With capital funding, the project aims to develop a visitor attraction in the area to encourage increased tourism and create direct jobs. The project will also save local jobs and encourage indirect employment in the local tourism sector.</p>	£265,000
